

British Columbia Boys Choir returns to schools to present Just Sing
IT! Education Shows
on March 2 & May 4, 2009

If your school is interested - please respond ASAP.

The British Columbia Boys Choir celebrates its 40th Anniversary this season. The Choir is available to come and perform at eight schools on the dates and locations listed below. There have been many requests for the Choir to come and so we are sending this to all the music teachers/ schools that have supported the Boys Choir's Music Education Program over the past couple of years.

Here are the details:

The Touring Choir will sing for 30-40 minutes and answer questions.

We ask you to invite the parents from your school to attend the performance.

We would ask that your school has the following Grades: 3-6

We need a piano or keyboard and choir risers if you have them (not necessary).

The Choir has to cover our costs for the day and so we are asking for \$300 from each school.

Here are the times: Monday March 2, 2009 North & West Vancouver Schools
Monday May 4, 2009 - International Music Day - Vancouver (AM) & Burnaby (PM) Schools:

9 a.m. 10:00 a.m. 1 p.m. 2 p.m.

These concerts will be booked on a first come basis.

Thank you for your support of the British Columbia Boys Choir.
